  1. Correspondence:
    - i) Financial Updates - Each district receive the following email on 5/19/11 - The Department of AG has processed a 3<sup>rd</sup> quarter payment of your district operations. Soon you will be notified by your bank that \$8558.72 has been deposited into your account. Please make sure that the deposit makes it into your District Operations account; if not, please make sure to transfer that amount into your District Operations account. This will bring our total to \$42441.28. (We should have one more allocation of \$8558.72 and that will equal our grant agreement.)
  2. Vandalia Lake Day - May 17<sup>th</sup> - It was a fairly cold day. But other than that most of the day went fairly well. I am very grateful to the AC from Effingham County for coming into our county and assisting me. Without her help I probably couldn't have made it through the day.
  3. Annual Plan of Work - Attached is the Annual Plan of Work, please review the attachment and we will discuss it at the next board meeting. I will have printed copies for you at that meeting.

4. Transect Survey -Tony and I will be conducting the Transect Survey as soon as about 75% of the soybeans are planted.
5. CRP Seeding Update - The seed has been delivered, maps have been giving to the seeder and sprayer. The sprayer is moving throughout the county and has gotten several acres done. The seeder is getting started on the dry acres as he can.
