

## **Soil and Water Management Seminar offers Continuing Education**

Soil, water, and air interactions will be the focus of a *Soil and Water Management Seminar* sponsored by University of Illinois Extension on February 16, 2012. The workshop will be held at the Effingham County Extension office at 1209 Wenthe Drive in Effingham. Presentations will be delivered via PowerPoint and webconferencing from 9 a.m. to 2:00 p.m. Lunch will be provided.

“Those attending will learn about the National Atmospheric Deposition Program, biochar, diseases of corn and residue management, tile biofilters, and irrigation scheduling,” says Duane Friend, U of I Extension Environmental Stewardship educator. Certified Crop Advisors will receive 4.5 continuing education units in Soil and Water Management by attending this seminar.

Registration is \$45 per person, which includes lunch. The registration deadline is February 14. To register, send name, address, and payment to U of I Extension, and mail to Effingham County Extension, 1209 Wenthe Drive, Effingham, IL 62401 or call 217-347-7773. If dietary or disability accommodations are needed, please indicate when registering.

For more information, email Duane Friend at [friend@illinois.edu](mailto:friend@illinois.edu).
